

Database

```
graph BT; MySQLDatabase --> Database; OracleDatabase --> Database; POSTGREDatabase --> Database;
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'Database'. Below it are three boxes: 'MySQLDatabase', 'OracleDatabase', and 'POSTGREDatabase'. A horizontal line connects the three bottom boxes, and a vertical line with an upward-pointing arrow connects the center of this line to the 'Database' box, indicating inheritance.

MySQLDatabase

OracleDatabase

POSTGREDatabase
